

Motorized

Retractable

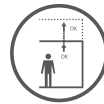

The very large screen.

The Odyssee screen is designed for private screening rooms, auditoriums, theatres ...

Measuring between 5 and 7.6 meter (200" to 300"), this model offer a wide projection angle (160° with a 1.0 gain) and is compatible with 16:9 and 4:3 formats. Its matt white canvas benefits from a dust repealing and waterproof treatment and can be washed. The Odyssee screen is designed to ensure optimal colorimetry and never seen before contrast. The aluminum case is equipped with an extremely silent tubular motor with aluminum cylinder for an optimal user experience. The Odyssee screen's manufacturing quality is exemplary and will meet the expectations of the most demanding cinema enthusiasts.

Built-in remote control system

Ceiling or suspended

Fine adjustment system
